Welcome to our Science, Technology, Engineering, Arts, Mathematics, and Sports camp - where education meets opportunity and athletics in a unique and exciting way!

This summer, we are thrilled to offer a one-of-a-kind camp experience that combines the best of STEAM education with the thrill of sports. Our camp is designed to inspire young minds, foster creativity, and encourage physical activity in a supportive and welcoming environment.

At our camp, participants will have the opportunity to engage in a wide range of activities that blend the worlds of science, technology, engineering, arts, and mathematics with the excitement of sports. From coding and robotics workshops to art and design sessions, as well as sports clinics and competitions, there is something for everyone to enjoy. Our expert instructors are passionate about igniting curiosity and helping campers discover new interests and talents.

Join us this summer for a transformative experience that will not only expand your knowledge and skills in various disciplines but also provide you with the chance to build friendships, boost confidence, and have a whole lot of fun along the way. Embrace the power of education, opportunity, and athletics at our STEAM and Sports camp - where every moment is an opportunity to learn, grow, and thrive.

Supervision and activities are available from 8am - 4pm, Monday to Friday at the camp. Parents need to arrange to pick up their children by 4:30pm.

Snacks will be given, but campers should bring a packed lunch daily.
