

Tennis for Tyler

Hosted by: Elizabeth Paszek

Tyler Strandberg attended Rocky Mount Academy and graduated with honors in 2005. She was a state ranked tennis player and went on to attend UNC Chapel Hill where she graduated with a degree in Psychology. Tyler followed her sense of adventure out west to Wyoming where she worked with young people, making a positive difference in their lives. We, at Rocky Mount Academy, would love to spread contagious laughter, just as Tyler did, throughout our school by continuing to make improvements to our tennis program. Please join us for this fun filled day of tennis while honoring Tyler Strandberg, her love for tennis, the mountains, and her fearless spirit.

Everyone is welcome!
We will have two flights
one for students, and
one for adults.
